Encryption Library

This agreement entered into, by and between CryptoSoft Entwicklungs- und Beratungs GmbH, located at Königsteinstraße 18, D-12309 Berlin, Germany (herein after referred to as **Licensor**), and

_____ (company name) located at _____ (address, city, state, zipcode) (herein after referred to as **Licensee**) in accordance with the terms and conditions contained in this agreement.

This contract allows the **Licensee** to distribute the program(s) developed by the **Licensor** referred to as **LIBRARY** with software developed by the **Licensee**. **LIBRARY** means the library package of the **Licensor**'s implementation of the _____ encryption algorithm in its original form published at <http://www.cryptosoft.com>.

This perpetual license of the software by the **Licensor** to the **Licensee** is non-exclusive and non-transferable. The **Licensee** shall pay **Licensor** a one time fee of _____ US\$ per platform in exchange for said license. This is a license for distribution and use of **LIBRARY** or parts of it in any of the **Licensee**'s products and only as a part of a program developed by the **Licensee**. This license is limited to a distribution of _____ units of **Licensee**'s programs per year and platform.

The **Licensee** may use **LIBRARY** to create other programs, royalty free, for sale or distribution as long as:

1. The programs that the **Licensee** produce do not compete with **LIBRARY** to any degree.
2. The programs that the **Licensee** produce do not provide access to the **LIBRARY** API in any manner.

The programs that the **Licensee** produce are not intended for redistribution, OEM licensing or other form of distribution that involves sub licensing or redistribution of **Licensor**'s encryption technology.

A copyright notice is provided within the documentation or start-up screen of **Licensee**'s program that specifies the **Licensor** as a copyright owner. For example: Portions of this program are copyrighted by CryptoSoft GmbH.

The **Licensor** warrants that it is sole owner of the software and has full power and authority to grant this license herein without consent of any other party. The **Licensor** hereby disclaims all other warranties of any kind relating to this software, whether express or implied, including without limitation any implied warranties of merchantability or fitness for a particular purpose.

The **Licensor** will not be liable for any special, incidental, consequential, indirect or similar damages due to loss of data or any other reason. In no event shall **Licensor's** liability for any damages ever exceed the price paid for the license to use the software, regardless of the form of the claim. The person using the software bears all risk as to the quality and performance of the software.

Neither this agreement nor any rights or obligations hereunder shall be assigned or otherwise transferred by **Licensee** without prior written consent of the **Licensor**, which consent will not be unreasonably withheld. The **Licensor** may assign this agreement entirely in its discretion upon the express written assumption of the obligations hereunder by the assignee.

This agreement shall be construed and enforced in accordance with the laws of the Federal Republic of Germany. Any action or proceeding brought by either party against the other arising out of or related to this agreement shall be brought only in a state court of competent jurisdiction located in Berlin, Federal Republic of Germany.

This agreement contains the entire agreement between the parties hereto, superseding all previous agreements, representations, understandings and negotiations.

This agreement can only be modified by mutual written consent of both parties.

Effective this _____ day of _____, 2001.
